Upgrading the Shark Injector

This form is for sending your Shark Injector back to Turner Motorsport for an upgrade to a new Shark file. The procedure is simple but must be followed closely so we can quickly Upgrade your Shark and return it to you.

1. the Shark Injector MUST have been removed from the car by using the Restore feature. Due to security protocols within the Shark Injector, we are not able to perform any work on Shark Injectors that are in Upgrade status. Restore the car back to stock before returning the Shark Injector.
2. if you have not already received one, call 800-280-6966 to obtain a reference number for sending it back. Enter that number in the form below and in the Ship To address.
3. ship the Shark Injector back to Turner Motorsport at the following address:

TURNER MOTORSPORT
 ATTN: _____ [enter reference number here]
 16 SOUTH HUNT RD.
 AMESBURY, MA 01913

4. make sure the package is insured for \$350 and is packaged with plenty of newsprint, paper, or cardboard (no bubble wrap or Styrofoam)
5. include the form below and an Emissions Waiver (if required)

Cut or tear along this line and send the bottom portion back with your Injector
